**RE: Legislative Report**

**Date: Friday, January 18, 2019**

The second week of the session saw very little committee action as bills are still being assigned to committees.

**The first deadlines for legislation are:**

Monday, January 21, 2019	Introduction of general bills and constitutional amendments
Tuesday, February 5, 2019	Committees to report general bills and constitutional amendments originating in own house
Thursday, February 14, 2019	Floor action on general bills and constitutional amendments originating in own house
