## INSURANCE SERVICES Risk Control Training Programs (current as of January 2015)

MSBA Insurance Services (MSBA Workers Compensation Trust, MSBA Property Insurance, and MSBA Casualty Insurance Trust) is committed to helping our member districts prevent accidents and injuries and to keep their insurance costs as low as possible.

MSBA offers risk control training programs such as the Annual RISK Seminar and individualized programs conducted on a by-request basis. All training seminars are **FREE** for members and will be tailored to the specific district. Training seminars are generally one hour in length.

Below is a sample of the training seminars that MSBA offers. *Please contact MSBA if you are interested in a topic not listed.*
