# Thank you for your support in acknowledging the important work of school board members during SCHOOL BOARD MEMBER RECOGNITION WEEK IN MISSISSIPPI.

## CELEBRATION IDEAS

Plan a few special activities during School Board Member Recognition Week that will show your board members how much you appreciate them. The February board meeting is an ideal time for a special presentation. Have students, teachers, and staff participate in the celebration. Don't forget to reach out to community members – business partners, civic organizations, clergy, or elected officials. Finally, invite the media to cover your activities as an outreach to the community.

Use the following ideas to promote your appreciation efforts. If possible, designate one person to coordinate events with administration, staff, teachers, and community groups. Be sure tips and other information are shared with each school.

### In schools:

- Bring board members to classrooms where they can talk to students about board service.
- Recognize board members at sporting events.
- Have students present board members with certificates of appreciation, art work, flowers or fruit baskets at a reception or after a meeting.
- Have students interview and profile board members.
- Encourage parent organizations and student councils to sponsor an appreciation breakfast for the school board.
- Use school marquees and message boards to thank board members for their service.
- Print a copy of the state proclamation of School Board Recognition Week in district newsletters.
- Write a personal letter saluting board members to be published in district newsletters and local newspapers.
- Create individual plaques with school board members' names and number of years of service.
- Express written appreciation to board members' families and spouses for supporting them while they volunteer their time on the board.
