

Why attend the Risk Seminar?

Nothing is more important to school districts than the safety and well-being of their students and staff. The 2019 Risk Seminar will provide expert perspectives on creating safe environments for working and learning, reducing risk and liability, and promoting healthy habits among employees.

The seminar is designed for:

- School administrators
- School risk management and human resources personnel
- Workers' comp specialists
- Others whose job is to keep track of employee injuries and/or claims

Register online at msbaonline.org or use the registration form on this brochure.
